

Addendum 1 to the Agreement between the Telecommunications Administration Centre, Finland and Inspection of Telecommunications, Estonia concerning the use of the frequency bands 890-915/935-960 MHz signed in Geneva 21 November 1997

The Finnish Communications Regulatory Authority and the Technical Regulatory Authority of Estonia agree to the following changes to the Agreement:

- To suppress subsection 3.4
- To suppress the text in existing subsection 4.3 and replace it with the following new text "In case this agreement is cancelled and a new one is not concluded the co-ordination procedure will be based on ECC Recommendation (05)08".
